MR. FOX, PRINCIPAL

# A Message from the Principal

An ancient Greek philosopher once said that the purpose of education is to persuade a person to like what he should like and to dislike what he should dislike.

One of the saddest things in our world is ignorance. It is bad enough to have a lack of knowledge of things, people and events, but it is far worse not to know that there are better things in life than what one is doing and thinking.

An education helps everyone to formulate a set of values to live by, to try to do these better things. The time each student spends in school helps him to think clearly and to arrive at good judgements about the relative importance of the various kinds of activity that make up human life. It opens up to everyone, by providing standards, the opportunity and ability to judge values. It enables everyone to determine what is right or wrong, what is true or false, what is essential or trivial, and what will contribute to his happiness in life.

I sincerely hope that all of our graduates will have developed a frame of mind, of thought and of judgement, which will enable them to handle themselves graciously and with ease in any environment and will have achieved a peace of mind and understanding which one must have to support one through the crises that come to all of us.

Staff

MR. R. BARTLETT, VICE-PRINCIPAL

#### GUIDANCE:

Mr. Saffran, Miss MacIntyre. Mr. Durocher, Mr. Chittero.

#### ENGLISH DEPARTMENT

Back Row: Mr. Munro, Mr. Buckley, Mr. Lugli, Miss Murphy, Mr. Plank, Mr. Feaver.

P.P.: People who don't cheer
at Assemblies.

Amb.: Teacher.
Pl.: Teacher's College.
App.: Too short for tall girls.
F.S.: It's the greatest,
P.P.: Nine o'clock in the morning.

#### MESSAGE FROM THE PRESIDENT

We, the graduating class of '65 are now ending an important segment of our lives — a segment filled with studies and activities which shall long be remembered. We thank all those who have helped us in these years of learning. It is our hope that the future shall hold the same honours and achievements for Herman Collegiate that we witnessed in our years here.

Sandy Yovanovich.

#### MESSAGE FROM THE VICE-PRESIDENT

The Student Council was very effective and successful this year except for the poor attendance of several of the school clubs and certain class representatives. I feel that the executive worked very well together and achieved most of their aims. In the future I hope that the Student Council works as well as it has this year.

Danny Nix.

ANDY AITCHISON
Amb.: To drive an Aston
Martin D.B.5.
Pl.: To go to college.
App.: C.G.
F.S.: You tell me about it.

# What do Einstein, Richard Petty, Hippocrates, Columbus, Copernicus have in common?

Bubble bursting.

Take Richard Petty. This concept bugged him: that Chrysler engineered cars didn't win long distance stock car races.

Petty, in his competition-equipped Plymouth, burst the whole bubble. He finished first in the 1964 Daytona 500—and set a new track record in the bargain! This was the first of many wins that made him the 1964 NASCAR Champion.

The Daytona race is tough. 500 miles around

the fastest track in the world. It takes courage and stamina and engineering superiority to win that race. Superiority developed through years of research and testing on the proving grounds and in the laboratory. Engineering reflected in our 1965 showroom cars.

What bubbles bugged the others? Time is an absolute; evil spirits cause disease; the world is flat; the sun revolves around the earth. You knew that all along.

Front Row: Pete Roth, David Jubenville, Mr. Gallie, Carol Coglin.

Absent: Mike Tomicic, Fred Petruk, Greg Rousseau.

#### **PREFECTS**

Under the head prefect "Pat LeBlanc" these twenty senior students with the assistance of some teachers usher at evening events such as Sock-Hops, and Graduation Ceremonies along with their regular school duties.

The teachers who assist the Prefects are Mr. Chittaro, Mr. Hammerschmidt, Mr. Scheuerman, and Mr. Warwick.

While the co-operative students learn responsibilities and become better citizens, the Prefects develop valuable qualities.

John Sabara.

#### SOCIAL COMMITTEE

The Social Committee has sponsored many sockhops this year and most of them have been successful. Many of the disorders have been brought to a minimum by Mr. Heward's introduction of the "dance list", by the insistant possession of a student card, and by careful inspection of students at the door.

The annual prom, Cupid's Capers, held on Saturday, February 13, was well attended by the student body. Mary McGavin of 13D was crowned Queen by last year's Queen—Pat Hoffard. Mr. Bice, Mr. Wallen and Mr. Aitken spent many long hours in preparation for the prom.

#### UNITED NATIONS CLUB

The United Nations Club this year had as its staff advisors—Mr. Shearon, Miss Phillips and the President Michael Sabara.

This year the club has increased both in its membership and activities. It is one of the few clubs which has a constitution and follows parliamentary procedure in the meetings. The new office of treasurer was created this year. There are special meetings wherein political and international affairs are discussed.

This year the Club put on an assembly, commemorating "United Nations Day". A United Nations flag financed by the club was donated in the name of Mr. Mahon to the school. The club attended, in April, the Model United Nations at the University of Detroit.

Over \$136.00 worth of Christmas Cards were sold this year by the members. The United Nations Club has always strived and will continue to strive for the ideals of the real United Nations; and it is to this purpose that the Club is dedicated.

Michael Sabara.

#### THE UNITED NATIONS TRIP

This year I had the honour of attending the United Nations in New York. There was one student from each Windsor school under our chaperone — Father Foley of Assumption High School. Out of the four days we were there, two days were set aside for the United Nations, and two days for sightseeing in New York.

After viewing the Security Council in a debate over the Congo Crisis we left to see New York. Chinatown, Greenwich Village and the Metropolitan Opera were only a few of the places visited in New York area.

Thus, the trip was a different experience which certainly left many impressions both good and bad. I think I can truly say that I have profited from my trip both as a student and a person.

Michael Sabara.

#### CHESS CLUB

This year the Chess Club has been the most active yet. Our president, Peter Roth, and staff advisor—Mr. Gallie, have organized chess tournaments with Lowe and Walkerville Collegiate Institutes.

A lightning chess tournament was held. This is a game of chess in which each player has only 30 seconds to move. Quick thinking is essential.

Our continuous chess tournament has been in effect. In this tournament the members of the club challenge each other for the purpose of moving up the pyramid of chess players to the summit.

Chess is an exciting game to learn and to play. If you wish to learn, come into Room #257 any afternoon and try your hand at the game of kings.

Chris Stefanovich.

#### SENIOR MATH CLUB

This year, the club is composed of two small groups which meet separately twice a week. Both the Grade 12 and the Grade 13 Clubs are preparing for the annual contest in March. The grade 13 club mmebers are also receiving help from Miss Tunks. The club is also considering a trip to Waterloo to tour the University of Waterloo.

Judy Patkau.

#### GRADE ELEVEN MATH CLUB

The Grade 11 Mathematics Club is composed of a small number of students who are eager to learn more about mathematics. Meeting every second Wednesday, these students investigated such mathematical gems as the trisection of an angle and number theory. Besides this they worked on previous math papers in preparation for the University of Waterloo Math Contest. Under the direction of Mr. McCullough, the members had a successful and interesting year.

Mark Dorrepaal.

#### GRADE TEN MATH CLUB

The Grade 10 Math Club consists of 17 members and our staff advisor is Mr. Keele. During the year we visited the Data Processing Department of Chrysler of Canada and observed I.B.M. Computers and machines at work. We entered the Junior Math Contest for the province of Ontario.

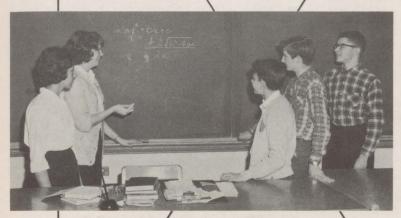

Many of us worked on "Venn" diagram problems and questions from previous provincial contest papers.

Carol Shanahan.

Standing: Mark Rorrepaal, Carol Conley, Miss Tunks, Wayne Clarke, Brian Trudell, Lloyd Symington.

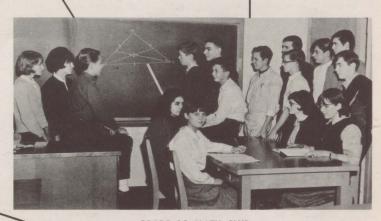

Seated: Ann Mitchell, Judy Patkau.

0

#### GRADE 11 MATH CLUB

Ilka Gopelle, Carol Conley, Michael Freeman, Michael Grimwood, Mark Dorrepall.

GRADE 10 MATH CLUB

#### LIBRARY STAFF

One of the busiest groups in Herman Collegiate is the Library Staff. There are about twelve girls in the club, in addition to the many class librarians. Under the guidance of Mr. Munro and Miss Nykor the girls gain useful experience in procesing new books, repairing old ones, and in handling money—and people. But the girls are not subjected to a program of all work and no pleasure. Money collected from overdue books is used to send the librarians to such events as the National Ballet and the Shakespearian Festival in Stratford.

#### SCHOOL REPORTERS

Although we had an enthusiastic group of reporters this year, the success of the youth page depended on student participation. We hope the Youth Page will improve as school spirit grows.

Liz Sebestyen, April Meunier, Averil Holton, Jane Stetson and Peggy Aitchinson reported each week to the Star under the direction of Miss Nykor.

Our thanks go to Mr. Munro who got up half an hour earlier than usual to let us into the library every Tuesday morning.

Averil Holton.

#### COMMERCE CLUB

The Commerce Club was just started this year and has been quite a success. It has been dealing in the operation of business. Its activities have consisted of a Tour of Chrysler of Canada and also a Tour of the Salt Mines, to mention only a few. Its staff advisor is Mr. Docherty.

#### TICKET SELLERS

Under the direction of Mr. Hammerschmidt approximately forty students have handled tickets for basketball, hockey and football games.

As of the end of January 1965, the ticket sellers have provided enough income through sales to pay all football and basketball game expenses and still have a surplus in the School Treasury.

The work of the ticket sellers and the support of the students who bought tickets is greatly appreciated.

#### THE FASHION SHOW OF 1965

Ten models chosen from all grades paraded in their ensembles to a background of organ music played by Rosemary Roy of Grade 9 and commentated by Jeanne Tyson of 11B.

The outfits ranging from swimsuits to a knitted coat were not sewn by the Home Economic Students as in previous years. The fashionable outfits were selected from Vera's Village Shop.

Miss Cakebread and Miss Nelson put extensive effort to make another project of the Girls' Athletic Association a success.

#### CAMERA CLUB

This year, as usual, the Camera Club has been engrossed in a variety of projects.

Our biggest single undertaking was producing the pictures for the Athletic section of this book. However, the smaller things such as taking pictures at the Flag-raising or at the games seemed to cause the most trouble.

After class a compact group gathers together in Room 255 to hold a hasty consultation with the "Boss" Mr. Melega, to decide on what has to be done in the immediate future. Chores are quickly parcelled out and with a few last-minute suggestions the group scatters in one's and two's. The cameras appear and the darkroom's hall light flashes on. The Camera Club is in action for the next few hours.

The next day the scene is exactly repeated except that the group is soon busy trying to straighten out yesterday's efforts.

Seriously though, we are a very busy and happy club working to serve the school.

Hans Zaborek.

#### THE HERMAN COLLEGIATE PUBLIC SPEAKING CONTEST

The annual inter-school Public Speaking Contest got off to a flying start by emphasizing the importance of Public Speaking in business and professional life. Student speakers kept the cafeteria ringing with voices during the early part of January, and the judges had a hard time choosing the future Ciceros from among the talkative contestants. The topics varied a great deal, but all aroused much interest in the listening audience. The competition was keen and the contests clearly revealed that some excellent orators were attending Herman Collegiate.

The winners were: Richard Miles—Junior Boys; Margaret Eisler — Junior Girls; Bruce Drake — Senior Boys; and Jeanne Tyson—Senior Girls.

#### DRIVER EDUCATION

By 1970, there will be three cars on the road for every two now in use. Despite vast highway building programmes, the future will bring extremely heavy traffic concentrations, especially in and around urban areas. Drivers will find themselves exposed to dangerous situations more frequently than ever before.

It is clear that in the decade ahead there will be a greater need for orderly, disciplined, careful, and safe driving.

Indeed, the general level of driving skill must rise sharply if traffic is to be anything but chaotic. Our greatest hope for avoiding this traffic chaos is DRIVER EDUCATION!

#### THE DRAMA CLUB

This year at Herman promises to be the best yet for the Drama Club. Early in the school year we presented the comedy "Sunday Costs Five Pesos" after classes in the cafeteria. Because it proved successful we have begun work on an evening of dramatic readings and casting for "The Mousetrap" by Agatha Christie, which we hope to present in the third term.

Our membership has expanded and the club has attracted more junior students than it has in previous years. Danny Bobb is the president and Averil Holton is the secretary. Much credit should be given to Miss Nykor for her time, guidance, and especially her patience.

Averil Holton.

#### **NEWSPAPER**

This year marked the beginning of the first Newspaper at Herman. We on the newspaper staff all agree that the hard work and many hours devoted to this project were worth it.

The purpose of this newspaper is to keep Herman on the go. Also, to keep the students aware of their advantages and opportunities our school offers them.

Our thanks to Mr. Fox, Mr. Hammerschmidt, Mr. Wallen, and Miss Healey for their interest in this project.

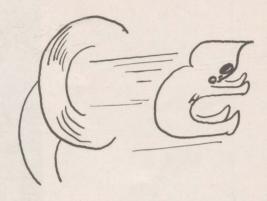

Mary Beth Clouthier.

### Music

#### MUSIC

This has been a busy year for H.C.I. musical organizations. Under the direction of Mr. Murray Dresser, the Concert Band, Orchestra and Chorus have performed at many assemblies. In addition to these assemblies, the Band put on a concert at the Edith Cavell Public School in Riverside. During the latter half of the third term the "Herman Harmony" and "Bandstand" were held.

Jane Stetson.

Back Row: Jo-Ann Zaborek, Donna Millen, Elaine Scott, Miss Davis, Marilynn McPhee, Cecile Gregorczyk, Darlene Cowan, Dane Sul.

Mr. Gallie, Tim Rounds, Lorne Rowe, Bob Boisvert, Bill Hunter.

#### THE CHEERLEADERS

The 1964-65 school year has proved to be an eventful and successful year for the various school teams. Although they did not win many championships, the members played their hardest, and the supporters cheered their loudest.

Everyone remembers the City Football Championship game in .0° weather. Both Patterson and our boys would have played much better if they had worn snow-shoes. However, we were defeated; but watch out next year, Pussycats! The colourful posters painted by the Pep Club, the bonfires, the police-escorted car parades to Windsor Stadium. Massey's green goalposts, and the tremendous turn-out of Herman fans made the football season a great success.

The Griffs advanced as far as the City Basketball Championship, and participated in S. W. O. S. S. A., and the Ontario championship. As a climax to the basketball season, the Balding Bombers blasted the Varsity Squad, while the fans screamed, "Let's go, B.O.; Let's go!"

Instead of the eight traditional cheerleaders, this year there were six.

We extend our thanks to Mr. Bice, who lent the Pep Club brushes and paints ,to Mrs. Geddes, our sponsor and teacher, and most of all to the fabulous support which we received from the entire student body.

Janet McKaig

#### FOOTBALL TEAM

The 1964-65 edition of the Herman Green Griffin Football Squad was highly successful during the past season. Under the capable guidance of the coaches—Mr. Janisse and Mr. Valentine the team brought honour and distinction to the school.

The Griffs, although defeated in the championship game on the wind-swept, snow covered field of Windsor Stadium, added several new records to the book. For the second straight year the Green and White Squad made the play-offs and for the first time in the school's history competed in the championship game.

Out of the first seven league games the Griffs were beaten only once, and were awarded first place because of the squad's superior defensive record.

Every game was a team effort; but, special mention should go to the players who made the all-city team, to the coaches, to the fans for their support and to all the team for a terrific effort.

#### JUNIOR FOOTBALL

This year the junior football team defeated every other junior team and came close to defeating Assumption's second string seniors. At the end of the season their record consisted of 7 wins and 1 loss.

With a husky line, an aggressive offence and some star players the team was victorious.

Special credit should be given to our coaches—Mr. Oksanen and Mr. Romiens—who arranged all our games and took the time to bring us through a successful season.

Dale Clayden

#### SOCCER

This year our still inexperienced Soccer Team enjoyed one of its best seasons, although it missed the playoffs by a single point.

Commendable words should go to Mr. Montague and all the players for their outstanding efforts.

#### SENIOR GIRLS' VOLLEYBALL

During this year's season the Senior Girls won five out of eight games. They advanced to the semi-finals but were defeated by one of our rivals—Kennedy Collegiate. The team went down fighting, however, as they won the first game of the match but lost the last two.

Our thanks to Miss Davis for a great coaching effort.

#### GIRLS' ATHLETIC ASSOCIATION

Without the help and leadership of Miss Nelson this year's G.A.A. would not have been a success.

The executive consisted of Darlene Cowan— President, Doris Wilson—Vice-President, Cathie Rickert—Treasurer, and Nora Halliwell as Secretary.

The G.A.A. accomplished more things this year than it has in the past. Among its many accomplishments was, a very successful Toy Drive which collected 8,000 toys for under-privileged children; sponsoring of the school's first Tea Dance, which was a great success; and the sale of school Beanies.

A sports Fashion Show called "World Ward-robe"; as well as a car wash of the teachers' cars was held near the end of the school year.

The G.A.A. also sponsored a very successful interform swim meet; and volleyball and basket-ball program.

#### THE BOYS' ATHLETIC ASSOCIATION

This year, the Boys' Athletic Association was set up to promote inter-form sports. Next year we hope to obtain some equipment for the boys' athletic teams. In the election held at the first of the year the following boys were elected:

John Robinson as President; Dennis Williams as Vice-President; and Rick Bauer as Secretary-Treasurer.

During the year the Boys' Athletic Association has sponsored a dance and a basketball game between the teachers and the varsity basketball team.

After this year of experience, we hope to do even more next year.

#### JUNIOR GIRLS' SWIM TEAM

Back Row: Donna White, Barb Farough, Helen Bodnarchuk, Judy Newbold, Nancy Nyholm, Joanne Johnson.

Middle Row: Miss Cakebread, Andrea Domiens, Amber Kerns, Betty Hanson, Vikci Kobelski, Fran Covinough, Herreit McCowell, Miss Nelson.

Bottom Row: Sally Renouf, Carol Coulghin, Maribeth Newbold, Shelly Ginough, Liz Mitchell, Cathy Tayles.

#### SENIOR GIRLS' SWIM TEAM

Back Row: Marsha Chappell, Cathy Carruthers, Maureen McGuinnes, Carole Popkey, Mary Beaton, Sherry Reid. Front Row: Miss Cakebread, Nora Halliwell, Elaine Mercer, Karina Nyholm, Colleen Hodgins, Marjorie Gardiner, Sherry Renauf, Miss Nelson.

#### **OUR CHAMPIONS IN SWIMMING**

John Macdonald, Paul Sasso — Both tied for All City Junior 1st Champion.

Wayne Pare (middle) — Junior City Diving 1st Champion.

Nora Halliwell — Senior 1st City Individual Cham-

Liz Mitchell — 1st Junior City Individual Champion.

#### SWIM TEAM

The swim team got off to a very poor start this year because of the lack of support from the students. Swim meets were held every week through the months of January and February. The Windsor Swim Meet was held at Riverside C.I.

The swim team received new swim suits, as well as white sweat-suits.

We hope that there will be more student participation next year.

#### SENIOR GIRLS' BASKETBALL TEAM

This year the Senior Girls' Basketball Team of 1964 and 1965 during regular season play won 6 and lost 2 games.

The team consisted of 16 hardworking members who gave all they had to make a senior team inspired by the leadership of a marvelous coach, Miss Davis.

The Senior Girls' were good sports all around. They accepted a win as well as a defeat.

The team made the semi-finals this year. Congratulations are in order for a team that represented their school that well.

#### JUNIOR GIRLS' BASKETBALL

The Junior Girls' Basketball Team this season shows great promise.

They won 3 and lost 2 games. Most likely in the future they will bring Herman to a championship.

Good Luck to a swell team and the coach, Miss Murphy.

#### THE SENIOR BOYS' BASKETBALL TEAM

The team this year was coached by Mr. Valentine who had a difficult time getting the team ready for the first game due to the late football schedule. Although the team had a slow start it picked up momentum quickly.

Mr. Valentine started the 4H Club this year. Herman plus hard work plus harmony plus hustle equals success. While the fans provided the Herman Spirit the team provided the hard work and the hustle. Harmony was added and success was obtained.

Also, this year, the League was diveded into two leagues, the East and West. The East is composed of six teams and the West is composed of five teams. Each team plays home and away games in its own division and plays only once with each team in the other division.

The second string has been an asset to the team. Although they sometimes see little floor-time, they work hard and keep the first string going to stay ahead of them.

After edging out Corpus Christi they lost the W.S.S.A. Cup to Walkerville. This was also true in the S.W.O.S.S.A. finals as Herman beat Essex only to lose to Walkerville again.

After the Griffs had lost to Hamilton Hill Park and had won their game against Don Mills of Toronto, they were eliminated from the final. The Hamilton team went on to beat Walkerville out of the Ontario Championship.

Terry Chappell

#### RESERVE BASKETBALL TEAM

This year was the first for the Reserve Basketball League, and for Mr. Romiens as our coach. Most of our team had little experience and less knowledge of the game, but our coach effectively made us a team with a potent offensive and a usually good defense.

The two finest games were when the Herman Reserve Team won close victories over Forster, and Patterson. In my opinion this year's reserve has been one of the best teams, not only for games played and won, but for spirit and hustle in practices as well as in games.

Jim Humphries

#### HOCKEY

The Herman Hockey Team had a successful season by finishing in second place in the W.S.S.A. with a 4-1-3 record.

Under the coaching of Mr. Sisco the Griffins had many exciting games.

Gary Kriza, Bryan Tayles and Fred Newman were in the top ten of scorers.

In the Round-Robin Playoff the first playoff was lost despite a determined effort. The last game was also lost 3-2 even though the Griffs did outplay Riverside.

#### **TENNIS**

Herman's Tennis Club wasn't organized very well this year and, as usual as a result, the club itself wasn't too active.

However, in the W.S.S.A. competition at Jackson Park the team came close to capturing all five events. Bob Susile won the boys' singles championship while Lynne Angus and Pete Skov took the mixed doubles event. Our entries in the girls' singles, girls' doubles and boys' doubles advanced as far as the finals but lost out. Herman was represented in these divisions by Kathy Horner, Linda and Ruth Walesiak, Bill Rudling and Pete Grimwood. Joe Wojtowicz, Keith Young and Robbie Smith also took part in the competition.

Alan Grimwood

#### **BADMINTON CLUB**

The Badminton Club at Herman began in October 1964 with thirty students. Their goal was to smash a badminton birdie across the net to an opposing player. They practiced Tuesday and Thursday mornings from 7:45 until 8:45 and Fridays after school from 3:30 until 5:00 p.m. under the leadership of Miss Murphy. The Club has competed against Walkerville, Kennedy and Guppy within the last two months with several outstanding victories. On Saturday, April 10, 1965 Herman's Badminton Club competes in W.O.S.S.A. for city titles and, from here if they are successful, compete in S.W.O.S.S.A.

GOOD LUCK TO ALL THE PLAYERS!

#### SENIOR GIRLS' BASKETBALL

#### SIGNALS

For cadets interested in communications, the Signal Corps under the direction of Mr. Scheuerman offers opportunity to become proficient in morse code and the operation of wireless equipment. This year Doug Reynolds is instructing a small but nevertheless hard working group of boys.

The girls have invaded what was previously a strictly male organization this year.

#### MASTER CADETS

The Master Cadets this year were under the command of Mr. Feaver, and instructed by Cadet Major Aitchison and Cadet Major Dutka. This group takes advanced training throughout the winter in various fields ranging from map reading and the use of small arms to national survival.

Bill Colvin

#### BANFF '64

Summer began for me on June 27th when I left Windsor to spend two weeks in preparing myself and other Ontario Cadets who were to go to Banff.

The three day trip passed quickly while we read, slept and played cards.

On the morning of the third day, we could see the Rockies off in the distance and by afternoon, we had arrived. Our last moments on the train were ones of hectic confusion while everybody gave their berths one last check.

When everyone was off the train, we boarded busses and were driven to the camp. The camp itself was set at the end of a valley surrounded by Mt. Cascade and Mt. Norquey. Our programme at the camp was divided into four parts; one week for tours when we were taken to all points of interest from Yoho to Calgary; one week for training in camp; one week for bivouac at Camp Cascade and one week for a 53 mile march through the mountains.

This summer of memories is never to be forgotten.

Andy Aitchison
